*The Jaycees is an association of young adults ages 21-40, organized for the purpose of providing opportunities for its members to develop leadership skills, social responsibility and fellowship. We do this through a variety of programs with an emphasis on community service projects. Examples of the community service programming that Jaycee Chapters provide are **Easter Egg Hunts**, **"Get Out The Vote"** campaigns, **Food Baskets for the underprivileged** and **Christmas Wish List**. The Ypsilanti Jaycees work very closely with our local government, Chamber of Commerce and local businesses in order to encourage our members to become well-rounded individuals and to create positive change in our community. We invite you to come out and see what we are all about, because the best way to learn about the Jaycees is to become a Jaycee.*
